Have you ever had a purebred animal and returned it to the breeder?

For what reason? Please explain _____

Training your Puppy:

You are getting a puppy that will grow up to be a 25–38 lbs. dog. You will need to train him! The time to decide on what to do is now, so you can start the training program as soon as the puppy moves in.

5	Do you plan to attend basic obedience classes?
6	Do you plan to attend advanced/competitive obedience classes?
7	Do you plan to crate train your puppy?

Dog Activities:

Please specify which of the following activities you are planning to participate in with your puppy (Once he is old enough).

8	Conformation Showing?
9	Obedience Showing
10	Lure Coursing?
